A BILL TO BE ENTITLED

1 AN ACT

2 relating to the operation of the Texas Windstorm Insurance
3 Association and the Texas FAIR Plan Association; making an
4 appropriation.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

6 SECTION 1. Section 2210.001, Insurance Code, is amended to
7 read as follows:

8 Sec. 2210.001. PURPOSE. The primary purpose of the Texas
9 Windstorm Insurance Association is the provision of an [An]
10 adequate market for windstorm and[7] hail[7, and fire] insurance in
11 the seacoast territory of this state. The legislature finds that
12 the provision of adequate windstorm and hail insurance is necessary
13 to the economic welfare of this state, and without that insurance,
14 the orderly growth and development of this state would be severely
15 impeded. This chapter provides a method by which adequate
16 windstorm and[7] hail[7, and fire] insurance may be obtained in
17 certain designated portions of the seacoast territory of this
18 state. The association is intended to serve as a residual insurer
19 of last resort for windstorm and hail insurance in the seacoast
20 territory. The association shall:

21 (1) function in such a manner as to not be a direct
22 competitor in the private market; and

23 (2) provide windstorm and hail insurance coverage to
24 those who are unable to obtain that coverage in the private market.

1 SECTION 2. Section 2210.002, Insurance Code, is amended to
2 read as follows:

3 Sec. 2210.002. SHORT TITLE; SUNSET PROVISION. (a) This
4 chapter may be cited as the Texas Windstorm Insurance Association
5 Act.

6 (b) The association is subject to review under Chapter 325,
7 Government Code (Texas Sunset Act), but is not abolished under that
8 chapter. The association shall be reviewed during the period in
9 which state agencies abolished in 2015 are reviewed. The
10 association shall pay the costs incurred by the Sunset Advisory
11 Commission in performing the review of the association under this
12 subsection. The Sunset Advisory Commission shall determine the
13 costs of the review performed under this subsection, and the
14 association shall pay the amount of those costs promptly on receipt
15 of a statement from the Sunset Advisory Commission regarding those
16 costs. This subsection expires September 1, 2015.

17 SECTION 3. Subchapter A, Chapter 2210, Insurance Code, is
18 amended by adding Section 2210.0025 to read as follows:

19 Sec. 2210.0025. BIENNIAL REPORT TO LEGISLATURE. On or
20 before December 31 of each even-numbered year, the board of
21 directors shall submit to the commissioner, the appropriate
22 committees of each house of the legislature, and the Sunset
23 Advisory Commission a written report relating to the operations of
24 the association during the preceding biennium. The report must
25 include:

26 (1) any proposed changes in the laws relating to
27 regulation of the association and a statement of the reasons for the

18 (a) Except as provided by Subsection (h), for purposes of
19 this chapter and subject to this section, "insurable property"
20 means immovable property at a fixed location in a catastrophe area
21 or corporeal movable property located in that immovable property,
22 as designated in the plan of operation, that is determined by the
23 association according to the criteria specified in the plan of

5 (a) After at least 10 days' notice and a hearing, the commissioner
6 may designate an area of the seacoast territory of this state as a
7 catastrophe area if the commissioner determines, unless such a
8 determination results in an adverse impact to the exposure of the
9 association, that windstorm and hail insurance is not reasonably
10 available to a substantial number of the owners of insurable
11 property located in that territory because the territory is subject
12 to unusually frequent and severe damage resulting from windstorms
13 or hailstorms.

14 (b) [~~After at least 10 days' notice and a hearing, the~~
15 ~~commissioner may designate an area of this state as an inadequate~~

19 [(c)] The commissioner shall revoke a designation made
20 under Subsection (a) [~~or (b)~~] if the commissioner determines, after
21 at least 10 days' notice and a hearing, that the applicable
22 insurance coverage is no longer reasonably unavailable to a
23 substantial number of owners of insurable property within the
24 designated territory.

25 (c) [(d)] If the association determines that windstorm and
26 hail insurance [~~or fire and explosion insurance~~] is no longer
27 reasonably unavailable to a substantial number of owners of

1 insurable property in a territory designated as a catastrophe area
2 [~~or inadequate fire insurance area, as applicable~~], the association
3 may request in writing that the commissioner revoke the
4 designation. After at least 10 days' notice and a hearing, but not

4 (b) The department shall develop incentive programs in the
5 manner described by Section 2210.053(b) to encourage authorized
6 insurers to write insurance on a voluntary basis and to minimize the
7 use of the association as a means to obtain insurance.

8 Sec. 2210.010. AUDIT. The state auditor shall conduct an
9 audit of the association at least once every four years.

10 SECTION 9. Section 2210.052, Insurance Code, is amended by

8 chapter.

9 SECTION 22. Section 2210.202, Insurance Code, is amended to
10 read as follows:

11 Sec. 2210.202. APPLICATION FOR COVERAGE. (a) A person who
12 has an insurable interest in insurable property may apply to the
13 association for insurance coverage provided under the plan of
14 operation and an inspection of the property, subject to any rules[
15 ~~including any inspection fee,~~] established by the board of
16 directors and approved by the commissioner. The association shall
17 make insurance available to each applicant in the catastrophe area
18 whose property is insurable property but who, after diligent
19 efforts, is unable to obtain property insurance through the
20 voluntary market, as evidenced by one declination from an insurer
21 authorized to engage in the business of, and writing, property
22 insurance providing windstorm and hail coverage in the first tier
23 coastal counties. For purposes of this section, "declination" has
24 the meaning assigned by the plan of operation and shall include a
25 refusal to offer coverage for the perils of windstorm and hail and
26 the inability to obtain substantially equivalent insurance
27 coverage for the perils of windstorm and hail. Notwithstanding

1 Section 2210.203(c), evidence of one declination is also required
2 with an application for renewal of an association policy.

3 (b) A [~~general~~] property and casualty agent [~~or a personal~~
4 ~~lines property and casualty agent~~] must submit an application for
5 the insurance coverage on behalf of the applicant on forms
6 prescribed by the association. The application must contain a
7 statement as to whether the applicant has submitted or will submit
8 the premium in full from personal funds or, if not, to whom a
9 balance is or will be due. Each application for initial or renewal
10 coverage must also contain a statement that the agent possesses
11 proof of the declination described by Subsection (a) and proof of
12 flood insurance coverage or unavailability of that coverage as
13 described by Section 2210.203(a-1).

14 SECTION 23. Section 2210.203, Insurance Code, is amended by
15 adding Subsection (a-1) to read as follows:

16 (a-1) This subsection applies only to a structure
17 constructed, remodeled, or enlarged on or after the effective date
18 of S.B. No. 14, Acts of the 81st Legislature, Regular Session, 2009,
19 and only for insurable property located in areas designated by the
20 commissioner. Notwithstanding Subsection (a), if all or any part
21 of the property to which this subsection applies is located in Zone
22 V or another similar zone with an additional hazard associated with
23 storm waves, as defined by the National Flood Insurance Program,
24 and if flood insurance under that federal program is available, the
25 association may not issue an insurance policy for initial coverage
26 unless evidence that the property is covered by a flood insurance
27 policy is submitted to the association. An agent offering or

1 selling a Texas windstorm and hail insurance policy in any area
2 designated by the commissioner under this subsection shall offer
3 flood insurance coverage to the prospective insured, if that
4 coverage is available.

5 SECTION 24. Section 2210.204, Insurance Code, is amended by
6 amending Subsection (d) and adding Subsection (e) to read as
7 follows:

8 (d) If an insured requests cancellation of the insurance
9 coverage, the association shall refund the unearned premium, less
10 any minimum retained premium set forth in the plan of operation,
11 payable to the insured and the holder of an unpaid balance. The
12 property and casualty agent who submitted the application shall
13 refund the agent's commission on any unearned premium in the same
14 manner.

15 (e) For cancellation of insurance coverage under this
16 section, the minimum retained premium in the plan of operation must
17 be for a period of not less than 180 days, except for events
18 specified in the plan of operation that reflect a significant
19 change in the exposure or the policyholder concerning the insured
20 property, including:

- 21 (1) the purchase of similar coverage in the voluntary
22 market;
23 (2) sale of the property to an unrelated party;
24 (3) death of the policyholder; or
25 (4) total loss of the property.

26 SECTION 25. Subchapter E, Chapter 2210, Insurance Code, is
27 amended by adding Section 2210.2041 to read as follows:

1 Sec. 2210.2041. NONREFUNDABLE SURCHARGE. A nonrefundable
2 surcharge established under this chapter is not refundable under
3 this code for any reason or purpose.

4 SECTION 26. Section 2210.251, Insurance Code, is amended to
5 read as follows:

6 Sec. 2210.251. INSPECTION REQUIREMENTS. (a) Except as
7 provided by this section, to be considered insurable property
8 eligible for windstorm and hail insurance coverage from the
9 association, a structure that is constructed, remodeled, enlarged,
10 or repaired or to which additions are made on or after January 1,
11 1988, must be inspected [~~or approved~~] by the association
12 [~~department~~] for compliance with the plan of operation.

13 (b) After January 1, 2004, for geographic areas specified by
14 the commissioner, the commissioner by rule shall adopt the 2003
15 International Residential Code for one- and two-family dwellings
16 published by the International Code Council. For those geographic
17 areas, the commissioner by rule may adopt a subsequent edition of
18 that code and may adopt any supplements published by the
19 International Code Council and amendments to that code.

20 (c) After January 1, 2004, a person must submit a notice of a
21 windstorm inspection to the association [~~unit responsible for~~
22 ~~certification of windstorm inspections at the department~~] before
23 beginning to construct, [~~alter,~~] remodel, enlarge, or repair a
24 structure.

25 (d) A structure constructed, remodeled, enlarged, or
26 repaired or to which additions were made before January 1, 1988,
27 that is located in an area that was governed at the time of the

1 construction, remodeling, enlargement, repair, or addition by a
2 building code recognized by the association is insurable property
3 eligible for windstorm and hail insurance coverage from the
4 association without compliance with the inspection [~~or approval~~]
5 requirements of this section or the plan of operation.

6 (e) A structure constructed, remodeled, enlarged, or
7 repaired or to which additions were made before January 1, 1988,
8 that is located in an area not governed by a building code
9 recognized by the association is insurable property eligible for
10 windstorm and hail insurance coverage from the association without
11 compliance with the inspection [~~or approval~~] requirements of this
12 section or the plan of operation if the structure was previously
13 insured by an insurer authorized to engage in the business of
14 insurance in this state and the structure is in essentially the same
15 condition as when previously insured, except for normal wear and
16 tear, and is without any structural change other than a change made
17 according to code. For purposes of this subsection, evidence of
18 previous insurance coverage must reflect coverage for the perils of
19 windstorm and hail for the property within the 12-month period
20 immediately preceding the date of the application for coverage
21 through the association and includes:

- 22 (1) a copy of a previous insurance policy;
- 23 (2) copies of canceled checks or agent's records that
24 show payments for previous policies; and
- 25 (3) a copy of the title to the structure or mortgage
26 company records that show previous policies.

27 (f) Notwithstanding any other provision of this section, a

1 residential structure insured by the association as of June 1,
2 2009, may continue coverage through the association subject to the
3 inspection requirements imposed under Section 2210.258.

4 (g) The association [department] shall issue a certificate
5 of compliance for each structure that qualifies for coverage. The
6 certificate is evidence of insurability of the structure by the
7 association.

8 ~~[(g) The department may enter into agreements and contracts~~
9 ~~as necessary to implement this section.]~~

10 (h) The association [department] may charge a reasonable
11 fee to cover the cost of making building requirements and
12 inspection standards available to the public.

13 (i) The association shall charge a reasonable fee for each
14 inspection of each structure in an amount set by the board of
15 directors. The association may use fees collected under
16 this section for operating expenses or for the purchase of
17 reinsurance.

18 (j) Without limitation of the department's authority to
19 otherwise enforce this chapter, the department shall monitor the
20 association's compliance with this subchapter.

21 (k) Except as otherwise provided by this subchapter, the
22 association may not consider any request that a structure be
23 certified as insurable property if, within six months after the
24 final inspection of a structure, the association has not received:

25 (1) fully completed documentation verifying that the
26 structure has been constructed, remodeled, enlarged, or repaired,
27 or any addition to the structure has been made, in compliance with

1 the plan of operation; and

2 (2) full payment of all inspection fees owed to the
3 association, including any fees related to prior association
4 inspections.

5 (1) If a structure is rejected for coverage under Subsection
6 (k), a person may make a new request for certification and the
7 structure may be reinspected for compliance with the plan of
8 operation. A request for certification brought under this
9 subsection must meet the requirements of Subsection (k).

10 SECTION 27. Subsections (a), (c), and (d), Section
11 2210.254, Insurance Code, are amended to read as follows:

3 (c) Before performing building inspections, a qualified
4 inspector must be approved and appointed or employed by the
5 association [~~department~~].

6 (d) The association [~~department~~] may charge a reasonable
7 fee for the filing of applications by and determining the
8 qualifications of persons for appointment as qualified inspectors.

10 read as follows:

11 Sec. 2210.255. APPOINTMENT OF LICENSED ENGINEER AS
12 INSPECTOR. (a) On request of an engineer licensed by the Texas
13 Board of Professional Engineers, the association may [~~commissioner~~

12 maximum interest rates, and other terms of the public securities
13 that, in the board's judgment, best achieve the goals of the
14 association and effect the borrowing at the lowest practicable
15 cost. The board may enter into a credit agreement in connection

21 may be used to purchase or redeem outstanding public securities. If
22 there are no outstanding public security obligations or public
23 security administrative expenses, the excess proceeds shall be
24 transferred to the catastrophe reserve trust fund.

25 Sec. 2210.609. REPAYMENT OF ASSOCIATION'S PUBLIC SECURITY

26 OBLIGATIONS. (a) The association shall pay all public security
27 obligations from available funds collected by the association and

1 deposited into the public security obligation revenue fund. If the
2 association determines that it is unable to pay the public security
3 obligations and public security administrative expenses, if any,
4 with available funds, the association shall pay those obligations
5 and expenses in accordance with Sections 2210.612 and 2210.613, as
6 applicable.

7 (b) The board shall notify the association of the amount of
8 the public security obligations and the estimated amount of public
9 security administrative expenses, if any, each year in a period
10 sufficient, as determined by the association, to permit the
11 association to determine the availability of funds and assess a
12 premium surcharge if necessary.

13 (c) The association shall deposit all revenue collected
14 under Sections 2210.612 and 2210.613 in the public security
15 obligation revenue fund. Money deposited in the fund may be
16 invested as permitted by general law. Money in the fund required to
17 be used to pay public security obligations and public security
18 administrative expenses, if any, shall be transferred to the
19 appropriate funds in the manner and at the time specified in the
20 proceedings authorizing the public securities to ensure timely
21 payment of obligations and expenses.

22 (d) The association shall provide for the payment of the
23 public security obligations and the public security administrative
24 expenses by irrevocably pledging revenues received from premiums,
25 premium surcharges, and amounts on deposit in the public security
26 obligation revenue fund, together with any public security reserve
27 fund, as provided in the proceedings authorizing the public

1 securities and related credit agreements.

2 (e) An amount owed by the board under a credit agreement
3 shall be payable from and secured by a pledge of revenues received
4 by the association or amounts from the obligation trust fund to the
5 extent provided in the proceedings authorizing the credit
6 agreement.

7 Sec. 2210.610. PUBLIC SECURITY PAYMENTS. (a) Revenues
8 received from the premium surcharges under Section 2210.612 or
9 2210.613 may be applied only as provided by this subchapter.

10 (b) The association may pay public security obligations
11 with other legally available funds.

12 (c) Public security obligations are payable only from
13 sources provided for payment in this subchapter.

14 Sec. 2210.611. EXCESS REVENUE COLLECTIONS AND INVESTMENT
15 EARNINGS. Revenue collected in any year from a premium surcharge
16 under Section 2210.612 or 2210.613 that exceeds the amount of the
17 public security obligations and public security administrative
18 expenses payable in that year and interest earned on the public
19 security obligation fund may, in the discretion of the association,
20 be:

21 (1) used to pay public security obligations payable in
22 the subsequent year, offsetting the amount of the premium surcharge
23 that would otherwise be required to be levied for the year under
24 this subchapter;

25 (2) used to redeem or purchase outstanding public
26 securities; or

27 (3) deposited in the catastrophe reserve trust fund.

1 Sec. 2210.612. CLASS 1 PREMIUM SURCHARGE. (a) The
2 association shall pay interest on pre-event Class 1 public
3 securities issued under Section 2210.072 from its premium and other
4 revenue as provided by Section 2210.609.

5 (b) Notwithstanding Section 2210.609, to pay pre-event
6 principal and post-event principal and interest on the Class 1
7 public securities, each insurer and the association shall collect
8 from their policyholders a surcharge in addition to any premiums to
9 pay public security obligations and public security administrative
10 expenses, if any, on the Class 1 public securities. The association
11 shall determine the premium surcharge under this subsection at
12 least annually.

13 (c) On approval by the commissioner, each insurer and the
14 association shall assess a premium surcharge under Subsection (b)
15 to their policyholders who have a property or casualty insurance
16 policy or Texas windstorm and hail insurance policy that provides
17 coverage for premises, locations, operations, or property located
18 in a catastrophe area, first tier coastal county, or that part of a
19 second tier coastal county that is included in coverage through the
20 association and shall remit the premium surcharge to the
21 association as required by commissioner rule. A premium surcharge
22 under Subsection (b) shall apply to all policies that provide
23 coverage on any premises, locations, operations, or property
24 located in a catastrophe area, first tier coastal county, or that
25 part of a second tier coastal county that is included in coverage
26 through the association for all property and casualty lines of
27 insurance, other than federal flood insurance, workers'

1 compensation insurance, accident and health insurance, and medical
2 malpractice insurance.

3 (d) A premium surcharge under this section is a separate
4 nonrefundable charge in addition to the premiums collected and is
5 not subject to premium tax or commissions. Failure by a
6 policyholder to pay the surcharge constitutes failure to pay
7 premium for purposes of policy cancellation.

8 Sec. 2210.613. CLASS 2 PREMIUM SURCHARGE. (a) Each insurer
9 and the association shall collect from their policyholders a
10 premium surcharge to pay public security obligations and public
11 security administrative expenses, if any, on Class 2 public
12 securities issued under Section 2210.073. The premium surcharge
13 must be set in an amount sufficient to pay all debt service and all
14 related expenses on the public securities, as applicable.

15 (b) The association shall determine the premium surcharge
16 under Subsection (a) at least annually. On approval by the
17 commissioner, each insurer and the association shall assess the
18 premium surcharge under Subsection (a) to their policyholders who
19 have a property or casualty insurance policy or Texas windstorm and
20 hail insurance policy that provides coverage for premises,
21 locations, operations, or property located in a catastrophe area,
22 first tier coastal county, or that part of a second tier coastal
23 county that is included in coverage through the association and
24 shall remit the premium surcharge to the association as required by
25 commissioner rule. A premium surcharge under Subsection (a) shall
26 apply to all policies that provide coverage on any premises,
27 locations, operations, or property located in a catastrophe area,

1 first tier coastal county, or that part of a second tier coastal
2 county that is included in coverage through the association for all
3 property and casualty lines of insurance, other than federal flood
4 insurance, workers' compensation insurance, accident and health
5 insurance, and medical malpractice insurance.

6 (c) A premium surcharge under this section is a separate
7 nonrefundable charge in addition to the premiums collected and is
8 not subject to premium tax or commissions. Failure to pay the
9 surcharge by a policyholder constitutes failure to pay premium for
10 purposes of policy cancellation.

11 Sec. 2210.614. REFINANCING PUBLIC SECURITIES. The
12 association may request the board to refinance any public
13 securities issued in accordance with Subchapter B-1, whether Class
14 1 or Class 2 public securities, with the refinanced public
15 securities payable from the same sources as the original public
16 securities.

17 Sec. 2210.615. SOURCE OF PAYMENT; STATE DEBT NOT CREATED.

18 (a) A public security or credit agreement is payable solely from
19 revenue as provided by this subchapter.

20 (b) A public security issued under this subchapter, and any
21 related credit agreement, is not a debt of this state or any state
22 agency or political subdivision of this state, and does not
23 constitute a pledge of the faith and credit of this state or any
24 state agency or political subdivision of this state.

25 (c) Each public security, and any related credit agreement,
26 issued under this subchapter must state on the security's face
27 that:

1 (1) neither the state nor a state agency, political
2 corporation, or political subdivision of the state is obligated to
3 pay the principal of or interest on the public security except as
4 provided by this subchapter; and

5 (2) neither the faith and credit nor the taxing power
6 of the state or any state agency, political corporation, or
7 political subdivision of the state is pledged to the payment of the
8 principal of or interest on the public security.

9 Sec. 2210.616. STATE NOT TO IMPAIR PUBLIC SECURITY
10 OBLIGATIONS. If public securities under this subchapter are
11 outstanding, the state may not:

12 (1) take action to limit or restrict the rights of the
13 association to fulfill its responsibility to pay public security
14 obligations; or

15 (2) in any way impair the rights and remedies of the
16 public security owners until the public securities are fully
17 discharged.

18 Sec. 2210.617. ENFORCEMENT BY MANDAMUS. A writ of mandamus
19 and any other legal and equitable remedies are available to a party
20 at interest to require the association or another party to fulfill
21 an agreement and to perform functions and duties under:

22 (1) this subchapter;

23 (2) the Texas Constitution; or

24 (3) a relevant public security resolution.

25 Sec. 2210.618. EXEMPTION FROM TAXATION. A public security
26 issued under this subchapter, any transaction relating to the
27 public security, and profits made from the sale of the public

1 security are exempt from taxation by this state or by a municipality
2 or other political subdivision of this state.

3 Sec. 2210.619. NO PERSONAL LIABILITY. The members of the
4 association, members of the association board of directors,
5 association employees, the board, the employees of the Texas Public
6 Finance Authority, the commissioner, and department employees are
7 not personally liable as a result of exercising the rights and
8 responsibilities granted under this subchapter.

10 issued under this subchapter are authorized investments under:

- 11 (1) Subchapter B, Chapter 424;
