# Hurricane Michael Claims Data

This aggregate information is compiled from claims data filed by insurers. It has not been audited or independently verified and covers all claims based on filings received by the Florida Office of Insurance Regulation as of July 26, 2019. Companies were required to begin submitting data on October 12, 2018. Data calls are currently scheduled to occur monthly through October 25, 2019. Additional data calls may be conducted. The report covers all claims as of Friday, July 26, 2019.
