

IN THE CIRCUIT COURT 20th
JUDICIAL CIRCUIT, IN AND FOR
CHARLOTTE COUNTY, FLORIDA

THE ESTATE OF RANDALL LEE
TAYLOR by and through its personal
Representative MARCIA TAYLOR,

CASE NO.: 2020-CA-393

Plaintiff,

vs.

FLORIDA FARM BUREAU CASUALTY
INSURANCE COMPANY,

Defendant.

**DEFENDANT'S MOTION FOR SUMMARY JUDGMENT AND
INCORPORATED MEMORANDUM OF LAW**

COMES NOW, the Defendant, FLORIDA FARM BUREAU CASUALTY INSURANCE COMPANY (hereinafter referred to as "FARM BUREAU"), by and through undersigned Counsel and pursuant to Rule 1.510c, Fla. R. Civ. Proc., and hereby files this, its Motion for Summary Judgment and Supporting Memorandum of Law, and in support thereof states the following:

INTRODUCTION:

Because no genuine issue as to any material fact exists and the insurance coverage issues regarding defense and indemnity can be decided as a matter of law, summary judgment is appropriate. This case can be solved now, in its entirety, as a matter of law. The claims in this matter raise purely legal issues relating to whether a Homeowner's Policy provides coverage, for remediation of the property after the insured property died in the property.

UNDISPUTED FACTS:

1. Decedent, Randy L. Taylor was the only named insured under a homeowners' policy of insurance with Florida Farm Bureau Casualty Insurance Company, policy number 8571100 which provided coverage to his solely owned property at 25460 State Road 70 East, Myakka City, FL 34251. Please see attached as Exhibit "A".

2. On November 12, 2018 Randy L. Taylor died in his domicile located at 25460 State Road 70 East, Myakka City, FL 34251. Mr. Taylor's body was not discovered until approximately November 22, 2018 by his wife, MARCIA TAYLOR, the personal representative of THE ESTATE OF RANDALL LEE TAYLOR.

3. On November 28, 2018 Marcia Taylor contracted with Accident Cleaners & Restoration, LLC for "Biohazard Remediation" and repairs to the premises where Randy Taylor died. Please see Agreement for Services and Assignment of Benefits attached as Exhibit "B".

4. Accident Cleaners & Restoration submitted an invoice dated January 31, 2019 in the amount of \$7,993.95 for "Biohazard Remediation". Please see invoice attached as Exhibit "C".

5. Florida Farm Bureau Casualty Insurance Company received notice of loss on December 4, 2018 from Marcia Taylor. A claim was opened under claim number 09P00845069.

6. On January 8, 2019 Florida Farm Bureau Casualty Insurance Company sent Marcia Taylor a denial letter for her claim of "Biohazard Remediation" (Please see letter attached as Exhibit "D"), asserting that the policy excluded damages related to pollutants as follows:

Section 1- Perils Insured Against:

We insure against risk of direct loss to property described in Coverages A and B only if that loss is a physical loss to property. We do not insure, however, for loss:

2. Caused by:

e. Any of the following:

(5) Discharge, dispersal, seepage, migration, release or escape of pollutants unless the discharge, dispersal, seepage, migration, release or escape is itself caused by a Peril Insured Against under Coverage C of this policy.

Pollutants means any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste. Waste includes materials to be recycled, reconditioned or reclaimed.

7. This lawsuit followed with a claim for Breach of Contract.

8. The issues before the court are whether Farm Bureau's pollutants exclusion excludes the subject loss and if the Plaintiff is an insured under the subject policy.

MEMORANDUM OF LAW

SUMMARY JUDGMENT

Summary Judgment "shall be rendered forthwith if the pleadings, depositions, answers to interrogatories, and admissions on file together with the affidavits, if any, show that there is no

genuine issue as to any material fact and the moving party is entitled to judgment as a matter of law.” Fed. R. Civ. P. 56(c); Home Ins. Co. v. Phillips, 815 F. Supp. 1471, 1472 (S.D. Fla. 1993). See also Moore v. Morris, 475 So.2d 666 (Fla. 1985); Landers v. Milton, 370 So.2d 368, 370 (Fla. 1979); Cox v. CSX Intermodal, Inc., 732 So.2d 1092, 1095 (Fla. 1st DCA 1999).

ARGUMENT

POLICY LANGUAGE:

Farm Bureau’s policy states on pages 7 and 8 of the policy:

SECTION I - PERILS INSURED AGAINST

Coverage A - Dwelling and Coverage B - Other Structures

We insure against risk of direct loss to property described in Coverages A and B only if that loss is a physical loss to property. We do not insure, however, for loss:

2. Caused by:

e. (5) Discharge, dispersal, seepage, migration, release or escape of pollutants Pollutants means any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waster. Waste includes materials to be recycled, reconditioned or reclaimed....

SIMILAR FLORIDA CASES:

In Chestnut Associates, Inc. v. Assurance Co. of America, 17 F. Supp. 3d 1203 (2014), an insured brought a declaratory judgment action against its liability insurer, alleging the insurer refused to defend a lawsuit filed against the insured, in which homeowners, the Jansens, alleged intentional infliction of emotional distress because the insured’s employee “sexually pleased himself” and ejaculated into the Jansens’ pool.

The policy at issue stated:

2. Exclusions

This insurance does not apply to:

a. Expected or Intended Injury

"Bodily injury" or "property damage" expected or intended from the standpoint of the insured.....

f. Pollution

(1) "Bodily injury" or "property damage" arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of pollutants".....

SECTION V - DEFINITIONS

3. "Bodily injury" means bodily injury, sickness or disease sustained by a person. This includes mental anguish, mental injury, shock, fright or death resulting from bodily [**6] injury, sickness or disease.....
13. "Occurrence" means an accident, including continuous or repeated exposure to substantially all the same general harmful conditions.....
15. "Pollutants" mean any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste. Waste includes materials to be recycled, reconditions or reclaimed.....
17. "Property damage" means:
 - a. Physical injury to tangible property, including all resulting loss of use of that property. All such loss of use shall be deemed to occur at the time of the physical injury that caused it; or
 - b. Loss of use of tangible property that is not physically injured. All such loss of use shall be deemed to occur at the time of the "occurrence" that caused it.

The Defendant argued that the Pollution Exclusion barred coverage for "bodily injury" or "property damage" "arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of 'pollutants'". The Defendant argued that the Jansens damages were caused by the contamination of their swimming pool by a "pollutant," the pool service technician's ejaculate.

The court noted that Florida courts have held, under Florida law, that natural bodily substances can be "pollutants" where they satisfy the definition in an insurance policy, citing Gen. Fidel. Ins. Co. v. Foster, 808 F.Supp.2d 1315, 1321 n.6 (S.D. Fla. 2011); WPC Indus. Contractors Ltd. v. Amerisure Mut. Ins. Co., 660 F.Supp.2d 1341, 1346 (S.D. Fla. 2009). The court held the damages the Jansens allege in the underlying complaint arise out of the release of a "pollutant" in the Jansens' swimming pool and that the damage alleged was within the pollution exclusion.

In Nova Cas. Co. v. Waserstein, 424 F. Supp. 2d 1325 (S.D. Fla. 2006), the Plaintiff insurer moved for summary judgment on count I of its second amended complaint, seeking a declaration that it had no duty to defend or indemnify defendants, an insured and its managing member. As to the duty to defend, the complaints in the underlying suit alleged that defendants negligently exposed plaintiffs to "living organisms," "microbial populations," "airborne and microbial contaminants," and "indoor allergens." The underlying complaints alleged that the Plaintiffs were

injured because defendants negligently failed to keep the air and surfaces in the building clean. However, "living organisms," "microbial populations," "microbial contaminants," and "indoor allergens" fit the ordinary definition of a "contaminant," and, as alleged in the underlying state court complaints, had a "contaminating" effect. Accordingly, these causes were excluded from coverage. The court noted that in determining whether something constitutes a "pollutant," a court should determine whether it fits the insurance policy's definition of "pollutant," as the definition is understood in plain, ordinary language. Where the insurance contract defines "pollutant" as an "irritant or contaminant," the court should look to see if the disputed substance is alleged to have had a particular effect commonly thought of as "irritation" or "contamination."

In Rodrigo v. State Farm Fla. Ins. Co., 144 So.3d 690 (Fla. 4th DCA 2014), a deceased neighbor's decomposed body leaked bodily fluids, which infiltrated the insured's apartment causing damage. The insured asserted that the claim resulted from an "explosion," a named peril under the policy. The trial court correctly gave the term "explosion" its plain and unambiguous meaning as understood by the man-on-the-street, which did not include a decomposing body's cells explosively expanding, causing leakage of bodily fluids. In short, the insured could not establish that the decomposing body was tantamount to an explosion.

OTHER JURISDICTIONS:

In J.L French Automotive Castings, Inc. v. Factory Mut. Ins. Co., 2003 WL 21730127 (USDC N. D. Ill. 2003), the insurer issued a policy covering all risks of physical damage. As a result of a fatal accident, wherein an employee was crushed inside a die press machine, the presses remained down until the human remains were removed. The insurer denied the insured's claims for clean-up costs and business interruption, claiming that the policy excluded coverage for contamination. The court found that the term "contamination" was not ambiguous, and that the presence of human remains rendered the presses unfit for their regular function and as such met the ordinary definition of "contamination." The court found that the presence of human remains constituted contamination. Giving the word "contaminate" its plain and ordinary meaning, it means to render unfit for use by the introduction of unwholesome or undesirable elements. "Contamination" means the act or process of contaminating or the state of being contaminated or something that contaminates.

In Certain Underwriters at Lloyds of London v. Creagh, 563 Fed. Appx. 209, 2014 WL 1408868 (USCA 3d Cir. 2014), Creagh owned a four-story building that Lloyd's insured pursuant

to a commercial and general liability policy. The second floor was divided into two units, an apartment and an office. The tenant of the apartment died in the unit, and because the tenant's death was not immediately discovered, the decomposition of the body severely damaged the unit. Creagh hired two companies to remediate and restore the apartment. Creagh submitted a claim to Lloyd's for about \$180,000 he spent to restore the apartment. Lloyd's sought a declaratory judgment in the District Court that the insurance policy did not require it to indemnify Creagh for the property damage. The District Court granted summary judgment for Lloyd's on each claim, holding that two policy exclusions—the microorganism exclusion and the seepage exclusion—precluded coverage for Creagh's claim for loss. Creagh appealed and the United States Court of Appeals affirmed the District Court. The appellate court noted that the policy's seepage exclusion precluded coverage for Creagh's claim. That exclusion excepts claims "aris[ing] from any kind of seepage or any kind of pollution and/or contamination" The seepage exclusion explained that "[t]he term 'any kind of seepage or any kind of pollution and/or contamination' as used in the Endorsement includes, (but is not limited to) . . . the presence, existence, or release of anything which endangers or threatens to endanger the health, safety, or welfare of persons or the environment. The court did not need to expound upon the District Court's detailed explanation that the fluids contaminating the apartment were a health and safety threat. As the District Court explained, the safety precautions that Creagh's sanitation contractor took and the classification by the Occupational Safety and Health Administration of such bodily fluids as potentially toxic and hazardous demonstrate the health and safety risk posed by the fluids. The appellate court concluded that the seepage exclusion applied.

As can be seen by the above cited cases, Florida courts have upheld pollutants exclusions and they have held that the same or similar policy exclusion as this case excludes claims for damage arising from pollutants. In Chestnut Associates, the court held that the natural bodily substance of ejaculate was a pollutant under the policy and, therefore, was excluded from coverage. In Nova Cas. Co. v. Waserstein, the court held that "living organisms," "microbial populations," "microbial contaminants," and "indoor allergens" fit the ordinary definition of a "contaminant," and were a pollutant under the policy and, therefore, were excluded from coverage. While not controlling, but certainly persuasive for this Court, several out of state cases dealt specifically with human remains or a decomposing body. In J.L. French Automotive Castings, Inc. v. Factory Mut. Ins. Co., the court held that human remains were contaminants under the ordinary

definition of contamination and, therefore, were excluded from coverage. Finally, in Certain Underwriters at Lloyds of London v. Creagh, the court found that a decomposing body was any kind of seepage or any kind of pollution and/or contamination within the policy language, and therefore, was excluded from coverage.

In the present case, Plaintiff "remediated" the home of Randy Taylor after he died of natural causes, by removing Mr. Taylor's decomposing body and cleaning bodily tissue, bone fragments, blood spray and/or other bodily matter and fluids from the insured home. Farm Bureau's policy excludes loss caused by discharge, dispersal, seepage, migration, release or escape of pollutants Pollutants means any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste. According to Black's Law Dictionary, contaminant means: a substance that can harm living organisms.

A decomposing body and related bodily fluids and matter fall within the plain meaning of the term. This is further supported by the above cited cases. Therefore, this court should apply the plain meaning of the term contaminant and follow the reasoning of Florida courts and other jurisdictions and hold that the subject pollutants policy exclusion bars a claim for damages arising from "Biohazard Remediation."

LACK OF STANDING/ASSIGNMENT OF BENEFITS:

While it is apparent Plaintiff lacked standing, Plaintiff signed a contract on November 28, 2018 with Accident Cleaners and Restoration, LLC. Included in the agreement for services is an executed assignment of insurance benefits. Please see Assignment of Benefits attached as Exhibit "B". The assignment includes any and all insurance rights, benefits, proceeds and any causes of action under any applicable insurance policies to Accident Cleaners and Restoration, LLC for services rendered.

All contractual rights are assignable unless the contract prohibits assignment. Once an assignment has been made, the assignor no longer has the right to enforce the interest because the assignee has obtained all the rights to the thing assigned. Bioscience W., Inc. v. Gulfstream Prop. & Cas. Ins. Co., 185 So. 3d 638 (Fla. 2nd DCA 2016).

Therefore, Plaintiff lacks standing to bring any claims for insurance benefits as she assigned any insurance rights and causes of action to Accident Report Cleaners and Restoration.

CONCLUSION

For the reasons set forth herein, the Policy does not provide coverage, for defense or indemnity, for any damages or claims arising from the underlying lawsuit. The Plaintiff has executed an Assignment of Benefits to Accident Cleaners and Restoration, LLC, effectively signing away her rights to any action.

WHEREFORE, Defendant, FLORIDA FARM BUREAU CASUALTY INSURANCE COMPANY, respectfully requests this Court to enter Defendant's Motion for Summary Judgment and any further relief the Court might deem appropriate.

 - (3) Other insurance which may cover the loss;
 - (4) Changes in title or occupancy of the property during the term of the policy;
 - (5) Specifications of damaged buildings and detailed repair estimates;
 - (6) The inventory of damaged or stolen personal property described in 2.e. above;
 - (7) Receipts for additional living expenses incurred and records that support the fair rental value loss; and
 - (8) Evidence or affidavit that supports a claim under the Credit Card, Fund Transfer Card, Forgery and Counterfeit Money coverage, stating the amount and cause of loss.

8. Loss Settlement. Covered property losses are settled as follows:

a. Property of the following types:

- (1) Personal property;
- (2) Awnings; carpeting, household appliances, outdoor antennas and outdoor equipment, whether or not attached to buildings; and
- (3) Structures that are not buildings;

at actual cash value at the time of loss but not more than the amount required to repair or replace.

b. Buildings under Coverage A or B at replacement cost without deduction for depreciation, subject to the following:

- (1) If, at the time of loss, the amount of insurance in this policy on the damaged building is 80% or more of the full replacement cost of the building immediately before the loss, we will pay the cost to repair or replace, after application of any deductible and without deduction for depreciation, but not more than the least of the following amounts:

- (a) The limit of liability under this policy that applies to the building;

- (b) The replacement cost of that part of the building damaged for like construction and use on the same premises; or

- (c) The necessary amount actually spent to repair or replace the damaged building.

- (2) If, at the time of loss, the amount of insurance in this policy on the damaged building is less than 80% of the full replacement cost of the building immediately before the loss, we will pay the greater of the following amounts, but not more than the limit of liability under this policy that applies to the building:

- (a) The actual cash value of that part of the building damaged; or

- (b) That proportion of the cost to repair or replace, after application of any deductible and without deduction for depreciation, that part of the building damaged, which the total amount of insurance in this policy on the damaged building bears to 80% of the replacement cost of the building.

- (3) To determine the amount of insurance required to equal 80% of the full replacement cost of the building immediately before the loss, do not include the value of:

- (a) Excavations, foundations, piers or any supports which are below the undersurface of the lowest basement floor;

- (b) Those supports in (a) above which are below the surface of the ground inside the foundation walls, if there is no basement; and

- (c) Underground fires, pipes, wiring, and drains.

- (4) We will pay no more than the actual cash value of the damage until actual repair or replacement is complete. Once actual repair or replacement is complete, we will settle the loss according to the provisions of b.(1) and b.(2) above.

However, if the cost to repair or replace the damage is both:

- (a) Less than 5% of the amount of insurance in this policy on the building; and

- (b) Less than \$2500;

we will settle the loss according to the provisions of b.(1) and b.(2) above whether or not actual repair or replacement is complete.

- (5) You may disregard the replacement cost loss settlement provisions and make claim under this policy for loss or damage to buildings on an actual cash value basis. You may then make claim within 180 days after loss for any additional liability according to the provisions of this Condition 3. Loss Settlement.

4. Loss to a Pair or Set. In case of loss to a pair or set we may elect to:

- a. Repair or replace any part to restore the pair or set to its value before the loss; or

- b. Pay the difference between actual cash value of the property before and after the loss;

5. Glass Replacement. Loss for damage to glass caused by a Peril Insured Against will be settled on the basis of replacement with safety glazing materials when required by ordinance or law.

6. Mediation or Appraisal.

If you and we:

- a. Are engaged in a dispute regarding a claim under this Policy, either party may demand a mediation of the loss in accordance with the rules established by the Florida Department of Financial Services. The loss amount must be \$500 or more, prior to application of the deductible, or there must be a difference of \$500 or more between the loss settlement amount we offer and the loss settlement

amount that you request. The settlement in the course of the mediation is binding only if both parties agree, in writing, on a settlement and you have not rescinded the settlement within three business days after reaching settlement. You may not rescind the settlement after cashing or depositing the settlement check or draft we provided to you.

We will pay the cost of conducting any mediation conference except when you fail to appear at a conference. That conference will then be rescheduled upon your payment of the total cost for that rescheduled conference. However, if we fail to appear at a mediation conference without good cause, we will pay the actual cash expenses you incur in attending the conference and also pay the total cost for the rescheduled conference.

- b. Fail to agree on the amount of loss, either party may demand an appraisal of the loss. In this event, each party will choose a competent and impartial appraiser within 20 days after receiving a written request from the other. The two appraisers will choose an umpire. If they cannot agree upon an umpire within 15 days, you or we may request that the choice be made by a judge of a court of record in the state where the "residence premises" is located. The appraisers will separately set the amount of the loss. If the appraisers submit a written report of an agreement to us, the amount agreed upon will be the amount of the loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will set the amount of the loss.

Each party will:

- (1) Pay its own appraiser, and
- (2) Bear the other expenses of the appraisal and umpire equally.

If, however, we demanded the mediation and either party rejects the mediation results, you are not required to submit to, or participate in any appraisal of the loss as a precondition to action against us for failure to pay the loss.

7. **Other Insurance.** If a loss covered by this policy is also covered by other insurance, we will pay only the proportion of the loss that the limit of liability that applies under this policy bears to the total amount of insurance covering the loss.
8. **Suit Against Us.** No action shall be brought unless the policy provisions have been complied with and the action is started within 5 years after the occurrence causing loss or damage.
9. **Our Option:** If we give you written notice within 30 days after we receive your signed, sworn proof of loss, we may repair or replace any part of the damaged property with like property.

10. Loss Payment. We will adjust all losses with you. We will pay you unless some other person is named in the policy or is legally entitled to receive payment. Payment for loss will be made after we receive your proof of loss within:

- a. 20 days after we reach written agreement with you; or
- b. 60 days after there is:
 - (1) an entry of a final judgment; or
 - (2) a filing of an appraisal award or a mediation settlement with us.

11. Abandonment of Property. We need not accept any property abandoned by an "insured."

12. Mortgage Clause.

The word "mortgagee" includes trustee.

If a mortgagee is named in this policy, any loss payable under Coverage A or B will be paid to the mortgagee and you, as interests appear. If more than one mortgagee is named, the order of payment will be the same as the order of precedence of the mortgages.

If we deny your claim, that denial will not apply to a valid claim of the mortgagee, if the mortgagee:

- a. Notifies us of any change in ownership, occupancy, or substantial change in risk of which the mortgagee is aware;
- b. Pays any premium due under this policy on demand if you have neglected to pay the premium; and
- c. Submits a signed, sworn statement of loss within 60 days after receiving notice from us of your failure to do so. Policy conditions relating to Appraisal, Suit Against Us and Loss Payment apply to the mortgagee.

If we decide to cancel or not to renew this policy, the mortgagee will be notified at least 10 days before the date cancellation or nonrenewal takes effect.

If we pay the mortgagee for any loss and deny payment to you:

- a. We are subrogated to all the rights of the mortgagee granted under the mortgage on the property; or
- b. At our option, we may pay to the mortgagee the whole principal on the mortgage plus any accrued interest. In this event, we will receive a full assignment and transfer of the mortgage and all securities held as collateral to the mortgage debt.

Subrogation will not impair the right of the mortgagee to recover the full amount of the mortgagee's claim.

13. No Benefit to Bailor. We will not recognize any assignment or grant any coverage that benefits a person or organization holding, storing or moving property for a fee, regardless of any other provision of this policy.

14. Nuclear Hazard Clause.

a. "Nuclear Hazard" means any nuclear reaction, radiation, or radioactive contamination, all whether controlled or uncontrolled or however caused, or any consequence of any of these.

b. Loss caused by the nuclear hazard will not be considered loss caused by fire, explosion, or smoke, unless these perils are specifically named in or otherwise included within the Perils Insured Against in Section I.

c. This policy does not apply under Section I to loss caused directly or indirectly by nuclear hazard, except that direct loss by fire resulting from the nuclear hazard is covered.

15. Recovered Property. If you or we recover any property for which we have made payment under this policy, you or we will notify the other of the recovery. At your option, the property will be returned to or retained by you or it will become our property. If the recovered property is returned to or retained by you, the loss payment will be adjusted based on the amount you received for the recovered property.

16. Volcanic Eruption Period. One or more volcanic eruptions that occur within a 72-hour period will be considered as one volcanic eruption.

All "bodily injury" and "property damage" resulting from any one accident or from continuous or repeated exposure to substantially the same general harmful conditions shall be considered to be the result of one "occurrence".

b. Sub-Limit of Liability

Subject to Paragraph a. above, our total liability under Coverage E for damages for which an "insured" is legally liable because of statutorily imposed vicarious parental liability not otherwise excluded is \$10,000. d. Our total liability under Coverage F for all medical expense payable for "bodily injury" to one person as the result of one accident will not be more than the limit of liability for Coverage F as shown in the Declarations.

2. **Severability of Insurance.** This insurance applies separately to each "insured". This condition will not increase our limit of liability for any one "occurrence".

3. **Duties After Loss.** In case of an accident or "occurrence", the "insured" will perform the following duties that apply. You will help us by seeing that these duties are performed:

a. Give written notice to us or our agent as soon as is practical, which sets forth:

6. **Suit Against Us.** No action can be brought against us unless there has been compliance with the policy provisions.

No one will have the right to join us as a party to any action against an "insured". Also, no action with respect to Coverage E can be brought against us until the obligation of the "insured" has been determined by final judgment or agreement signed by us.

This Liberalization Clause does not apply to changes implemented through introduction of a subsequent edition of our policy.

4. **Waiver or Change of Policy Provisions.**

A waiver or change of a provision of this policy must be in writing by us to be valid. Our request for an appraisal or examination will not waive any of our rights.

5. **Cancellation.**

(b) On the basis of filing of claims for partial loss caused by sinkhole damage or clay shrinkage, regardless of whether this policy has been the subject of a sinkhole claim, or on the basis of the risk associated with the occurrence of such a claim. However, we may cancel this policy if:

- (i) The total of such property claim payments for this policy exceeds the current policy limits of coverage for property damage; or
- (ii) You have failed to repair the structure in accordance with the engineering recommendations upon which any loss payment or policy proceeds were based.

- (i) The total of such property claim payments for this policy exceeds the current policy limits of coverage for property damage; or
- (ii) You have failed to repair the structure in accordance with the engineering recommendations upon which any loss payment or policy proceeds were based.

This can be done by letting you know at least 90 days before the date cancellation takes effect.

- d. When this policy is cancelled, the premium for the period from the date of cancellation to the expiration date will be refunded pro rata.
- e. If the return premium is not refunded with the policy of cancellation or when this policy is returned to us, we will refund it within a reasonable time after the date cancellation takes effect.

6. Nonrenewal.

We may elect not to renew this policy. However, we will not nonrenew this policy:

- a. On the basis of property insurance claims that are the result of an Act of God, unless we can demonstrate, by claims frequency or otherwise, that the "Insured" has failed to take action reasonably necessary as requested by us to prevent recurrence of damage to the insured property; or
- b. On the basis of filing of claims for partial loss caused by sinkhole damage or clay shrinkage, regardless of whether this policy has been the subject of a sinkhole claim, or on the basis of the risk associated with the occurrence of such a claim. However, we may elect not to renew this policy if:

- (1) The total of such property claim payments for this policy exceeds the current policy limits of coverage for property damage; or
- (2) You have failed to repair the structure in accordance with the engineering recommendations upon which any loss payment or policy proceeds were based.

We may do so by delivering to you or mailing to you at your mailing address shown in the Declarations, written notice, together with the specific reasons for nonrenewal, at least 90 days before the expiration date of this policy. Proof of mailing will be sufficient proof of notice.

7. **Assignment:** Assignment of this policy will not be valid unless we give our written consent.
8. **Subrogation.** An "Insured" may waive in writing before a loss all rights of recovery against any person. If not waived, we may require an assignment of rights of recovery for a loss to the extent that payment is made by us.

However, we waive any rights of recovery against the corporation or association of property owners of the condominium where the "residence premises" is located.

If an assignment is sought, an "Insured" must sign and deliver all related papers and cooperate with us.

Subrogation does not apply under Section II to Medical Payments to Others or Damage to Property of Others.

9. **Death.** If any person named in the Declarations or the spouse, if a resident of the same household, dies:

- a. We insure the legal representative of the deceased, but only with respect to the premises and property of the deceased covered under the policy at the time of death;

- b. "Insured" includes:

- (1) Any member of your household who is an "Insured" at the time of your death, but only while a resident of the "residence premises"; and

- (2) With respect to your property, the person having proper temporary custody of the property until appointment and qualification of a legal representative.

10. Renewal Notification.

If we elect to renew this policy, we will let you know in writing:

- a. Of our decision to renew this policy; and
- b. The amount of renewal premium payable to us.

This notice will be delivered to you or mailed to you at your mailing address shown in the Declarations at least 45 days before the expiration date of this policy.

11. Automatic Termination.

If we offer to renew or continue and you or your representative do not accept, this policy will automatically terminate at the end of the current policy period. Failure to pay the required renewal or continuation premium when due shall mean that you have not accepted our offer.

If you obtain other insurance on your residence premises, any similar insurance provided by this policy will terminate on the effective date of the other insurance.

12. County Farm Bureau Membership.

Membership in your county Farm Bureau Agricultural Organization is a condition precedent or prerequisite to your ability both to apply for and to renew this insurance. Failure to maintain membership in your county Farm Bureau Agricultural Organization will result in nonrenewal.

Any dues paid or payable to your county Farm Bureau Agricultural Organization are solely in consideration of membership in that organization. Such membership dues are not insurance premiums and therefore, are not in consideration of insurance provided by this policy.

IN WITNESS WHEREOF, THE COMPANY has caused this policy to be signed by its President and Secretary, and countersigned on the Declarations page by a duly authorized representative of the Company.

**NO SECTION II - LIABILITY COVERAGES FOR
HOME DAY CARE BUSINESS
LIMITED SECTION I - PROPERTY COVERAGES FOR
HOME DAY CARE BUSINESS**

If an "insured" regularly provides home day care services to a person or persons other than "insureds" and receives monetary or other compensation for such services, that enterprise is a business. Mutual exchange of home day care services, however, is not considered compensation. The rendering of home day care services by an "insured" to a relative of an "insured" is not considered a "business".

Therefore, with respect to a home day care enterprise which is considered to be a "business", this policy:

1. Does not provide Section II - Liability Coverages because a business of an "insured" is excluded under exclusion 7.b. of Section II - Exclusions;
2. Does not provide Section I - Coverage B coverage where other structures are used in whole or in part for "business".

3. Limits coverage for property used on the "residence premises" for the home day care enterprise to \$2,500, because Coverage C - Special Limits of Liability - Item 9. imposes that limit on "business" property on the "residence premises".

4. Limits coverage for property used off the "residence premises" for the home day care enterprise to \$500, because Coverage C - Special Limits of Liability - Item 9. imposes that limit on "business" property off the "residence premises".

All other provisions of this policy apply.

THIS ENDORSEMENT DOES NOT CONSTITUTE A REDUCTION OF COVERAGE.

NOTICE TO INSUREDS
NO SECTION II - LIABILITY COVERAGES FOR AIRBOATS
LIMITED SECTION I - PROPERTY COVERAGES FOR AIRBOATS

Airboats are considered to be watercraft for the purposes of this policy. Therefore, with respect to Airboats, this policy:

1. Does not provide Section II - Liability Coverages, as an Airboat is considered to be an excluded watercraft because it is propelled by engine power other than an inboard, outboard, or inboard-outdrive engine or motor.
2. Limits coverage for property to \$1,500, because Coverage C - Special Limits of Liability - Item 3. imposes that limit on watercraft of all types, including their trailers, furnishings and equipment.

All other provisions of this policy apply.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

A. Loss By Windstorm During A Hurricane

With respect to Paragraphs C. and D., coverage for loss caused by the peril of windstorm during a hurricane which occurs anywhere in the state of Florida, includes loss to:

1. The inside of a building; or
2. The property contained in a building caused by:
 - a. Rain;
 - b. Snow;
 - c. Sleet;
 - d. Hail;
 - e. Sand; or
 - f. Dust;

If the direct force of the windstorm damages the building, causing an opening in a roof or wall and the rain, snow, sleet, hail, sand or dust enters through this opening.

B. Hurricane Described

1. A hurricane means a storm system that has been declared to be a hurricane by the National Hurricane Center of the National Weather Service.
2. A hurricane occurrence:
 - a. Begins at the time a hurricane watch or warning is issued for any part of Florida by the National Hurricane Center of the National Weather Service; and
 - b. Ends 72 hours following the termination of the last hurricane watch or hurricane warning issued for any part of Florida by the National Hurricane Center of the National Weather Service.

C. Calendar Year Hurricane Deductible Described

A hurricane deductible issued by us or another insurer in our insurer group:

1. Can be exhausted only once during each calendar year; and
2. Applies to loss to Covered Property caused by one or more hurricanes during each calendar year.

The dollar amount of the calendar year hurricane deductible is determined by multiplying the Coverage A limit of liability shown in the Declarations by the percentage amount shown in the Schedule above.

A minimum deductible of \$500 applies.

D. Application of Calendar Year Hurricane Deductible

1. In the event of the first windstorm loss caused by a single hurricane occurrence during a calendar year, we will pay only that part of the total of all loss payable under Section I - Property Coverages that exceeds the calendar year hurricane deductible stated in the Schedule.
2. With respect to a windstorm loss caused by the second, and each subsequent, hurricane occurrence during the same calendar year, we will pay only that part of the total of all loss payable under Section I - Property Coverages that exceeds the greater of:
 - a. The remaining dollar amount of the calendar year hurricane deductible; or
 - b. The deductible that applies to fire that is in effect at the time of the loss.

The remaining dollar amount of the calendar year hurricane deductible is determined by subtracting all previous windstorm losses caused by hurricanes during the calendar year from the calendar year hurricane deductible.

3. If:

- a. Covered property is insured under more than one policy issued by us or another insurer in our insurer group; and
- b. Different hurricane deductibles apply to the same property under such policies;

Then the hurricane deductible applicable under all such policies, used to determine the total of all loss payable under Section I - Property Coverages shall be the highest amount stated in any one of the policies.

4. When a renewal policy is issued by us or an insurer in our insurer group, or we issue a policy that replaces one issued by us or an insurer in our insurer group, and the renewal or replacement policy takes effect on a date other than January 1st of a calendar year, the following provisions apply:

- a. If the renewal or replacement policy provides a lower hurricane deductible than the prior policy, and you incurred loss from a hurricane under the prior policy in that same calendar year, the lower hurricane deductible will not take effect until January 1st of the following calendar year.
- b. If the renewal or replacement policy provides a lower hurricane deductible than the prior policy and you have not incurred a hurricane loss in that same calendar year, the lower hurricane deductible will take effect on the effective date of the renewal or replacement policy.
- c. If the renewal or replacement policy provides a higher hurricane deductible than the prior policy, the higher hurricane deductible:

(1) Will take effect on the effective date of the renewal or replacement policy; and

(2) Shall be used to calculate the remaining dollar amount of the hurricane deductible described in Paragraph 2.

7. We require that you maintain receipts or other records of such hurricane losses that are below the hurricane deductible, and provide us with such receipts as often as we reasonably require, so that we may consider the amount of such loss when adjusting claims for subsequent hurricane occurrences that occur during the calendar year.

E. Loss By Windstorm That Is Not A Declared Hurricane

Refer to the policy declarations for the deductible that applies to windstorm loss if the circumstances of the loss described above do not apply.

All other provisions of this policy apply.

- a. Give prompt notice to us or our agent, except that notice of any initial, supplemental or reopened claim for "sinkhole loss" must be provided to us in accordance with the terms of this policy within two years after you knew or reasonably should have known about the "sinkhole loss". (Supplemental claim or reopened claim means an additional claim for recovery from us for losses from the same "sinkhole loss" which we have previously adjusted pursuant to the initial claim.)

3. Loss Settlement:

With respect to a loss to the "principal building" covered under Coverage A caused by a "sinkhole loss", Paragraph 3.b. (4) (this is paragraph 3.c. (4) in FORM HO 00 09) of the Loss Settlement Condition is replaced by the following:

We will pay for the loss as follows:

- (4) We will pay no more than the actual cash value of the damaged property, not including underpinning or grouting or any other repair technique performed below the existing foundation of the "principal building", until you enter into a contract for the performance of building stabilization or foundation repairs in accordance with the recommendations set forth in the professional engineer's report. You must enter into a contract for the performance of building stabilization and foundation repairs within 90 days after we confirm coverage of "sinkhole loss" and notify you of such confirmation. This time period is tolled if either party invokes the neutral evaluation process, and begins again 10 days after the conclusion of the neutral evaluation process. Once you enter into such contract, we will settle the loss as described in this Condition and pay the amount necessary to begin and perform such repairs as work is performed and as expenses are incurred.

However, if the cost to repair or replace the damage is both:

- (a) Less than 5% of the amount of insurance in this policy on the building; and
- (b) Less than \$2,600;

we will settle the loss as noted in this Condition whether or not you have entered into a contract to perform the building stabilization or foundation repairs.

If the repairs have begun and the professional engineer selected or approved by us determines that the recommended repairs cannot be completed within the policy limits, we must either:

- (a) Complete the recommended repairs; or
- (b) Pay the policy limits without a reduction for the repair expenses incurred.

The stabilization and all other repairs to the "principal building" must be completed within 12 months after entering into the contract unless:

- (a) There is a mutual agreement between us and you;
- (b) The claim is involved with the neutral evaluation process;
- (c) The claim is in litigation; or
- (d) The claim is under appraisal or mediation.

6. Mediation or Appraisal

With respect to coverage provided by this endorsement, paragraph a. of the Mediation or Appraisal Condition is replaced by the following:

6. Neutral Evaluation

- a. Following receipt by us of a report from a professional engineer or professional geologist on the cause of loss and recommendations for stabilizing the land and "principal building" and foundation repairs, or if we deny your claim, either party may file a request with the Florida Department of Financial Services (the Department) for neutral evaluation in accordance with the rules established by the Department. In this event, you and we shall mutually select a neutral evaluator from a list maintained by the Department. If you and we fail to agree to a neutral evaluator within 14 business days, the Department shall appoint a neutral evaluator.

The neutral evaluator shall make reasonable efforts to hold the neutral evaluation conference within 90 days after receipt of the request by the Department. The neutral evaluator must be allowed reasonable access to the property being evaluated. Before the evaluator's physical inspection of the property, he or she must be provided with any reports initiated by you or your agent confirming a "sinkhole loss" or disputing another sinkhole report. The recommendation of the neutral evaluator will not be binding on you or us.

We will pay the reasonable costs associated with the neutral evaluation:

8. Suit Against Us

With respect to coverage provided by this endorsement, the Suit Against Us Condition is replaced by the following:

8. Suit Against Us

No action can be brought against us unless there has been full compliance with all of the terms under Section 1 of this policy and the action is started within 5 years after the date of loss; except that the time for filing suit is extended for a period of 60 days following the conclusion of the neutral evaluation process or 5 years, whichever is later.

ADDITIONAL CONDITIONS:

The following conditions are added:

Unlawful Rebates

You may not accept a rebate from any person performing repairs to damaged property. If you receive a rebate, coverage is void and you must refund the amount of the rebate to us.

Filing of Sinkhole Report

As a precondition to accepting payment for a "sinkhole loss", you must file with the county clerk of the court a copy of any sinkhole report regarding the insured property that was prepared on your behalf or at your request. You shall bear the cost of filing and recording the sinkhole report. The recording of the report does not:

- (a) Constitute a lien, encumbrance, or restriction on the title to real property or constitute a defect in the title to the real property;
- (b) Create any cause of action or liability against any grantor of the real property for breach of any warranty of good title or warranty against encumbrances; or
- (c) Create any cause of action or liability against a title insurer that insures the title of the real property.

Your Right to Test for Sinkhole Loss

a. If we deny your claim for "sinkhole loss" without performing such tests as sufficient to determine the presence or absence of "sinkhole loss" or other cause of damage within reasonable professional probability, you may demand testing. Your written demand for testing must be communicated to us within 60 days after you receive our denial of your claim.

If you demand testing, you shall pay 50 percent of the actual costs of the analyses and services provided or \$2,500, whichever is less. If our engineer or geologist provides written certification of a "sinkhole loss", we will reimburse you for the costs.

b. If we receive written certification that there is no "sinkhole loss" or that the cause of damage was not "sinkhole activity", and determine that you submitted a claim for "sinkhole loss" in bad faith and you requested the testing, analyses and services we provided, then, you shall pay 50 percent of the actual costs of the testing, analyses and services provided or \$2,500, whichever is less. This provision (b.) applies only if before ordering the testing, analysis and services, we informed you in writing of your potential liability for reimbursement and gave you an opportunity to withdraw the claim.

All other provisions of this policy apply.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

SINKHOLE LOSS COVERAGE DEDUCTIBLE (PERCENTAGE)

A "Sinkhole Loss" deductible applies to covered property when loss is caused by the peril of "Sinkhole Loss". We will pay only that part of the total of all loss or damage payable under Section I - Property Coverages that exceeds the "Sinkhole Loss" Coverage percentage deductible stated in the Declarations.

Your "Sinkhole Loss" deductible is determined as follows:

1. For forms HO 00 02, HO 00 03, and HO 00 09, multiply the Coverage A limit of liability indicated in your Declarations by the specified percentage amount.
2. For forms HO 00 04 and HO 00 06, multiply the Coverage C limit of liability indicated in your Declarations by the specified percentage amount.

A minimum deductible of \$500 applies.

No other deductible applies to the peril of "Sinkhole Loss".

All other provisions of this policy apply.

HURRICANE EXCLUSION - SCREENED ENCLOSURES

This includes, but is not limited to, pool cages and similar structures.
2. For the purposes of this endorsement, a hurricane means a storm system that has been declared to be a hurricane by the National Hurricane Center of the National Weather Service. This exclusion is in effect beginning at the time a hurricane watch or warning is issued for any part of Florida by the National Hurricane Center of the National Weather Service, and ending 72 hours following the termination of the last hurricane watch or hurricane warning issued for that particular storm in any part of Florida by the National Hurricane Center of the National Weather Service.
3. Coverage, for the peril of windstorm during a hurricane, to screened enclosures may be available for an additional premium.

All other provisions of this policy apply.

ADDITIONAL COVERAGES

We are required to notify you of two ADDITIONAL coverages included in your Homeowners Policy and make up a part of your policy's premium. These coverages are:

(1) REPLACEMENT COST COVERAGE

If your dwelling is damaged or destroyed, by a peril insured against, the amount of your claim payment will be based on replacement costs of the damaged portions. Depreciation will not be used in determining the amount we will pay for damage to your dwelling. The maximum we will pay for any one loss is the limit shown on your Declarations page.

(2) ORDINANCE OR LAW COVERAGE

If your dwelling is damaged or destroyed, by a peril insured against, this coverage will pay for necessary repairs and replacements to your dwelling due to existing laws and ordinances that apply to repair and replacement. You may use, as additional amount of insurance, up to the percentage amount, as stated in your Ordinance or Law Coverage endorsement, of the Coverage A - Dwelling limit shown on your Declarations page for this coverage. For Homeowners Form HO 00 04 the percentage amount would be applied to the limit of liability that applies to Building Additions and Alterations Coverage.

The Options for this coverage are:

(a) up to 25%; or

(b) up to 50%

of the Coverage A - Dwelling limit. For Homeowners Form HO 00 04 the percentage amount would be applied to the limit of liability that applies to Building Additions and Alterations Coverage.

Ordinance or Law Coverage is excluded in its entirety if you rejected it in writing.

Your policy's declarations will indicate which option you selected for Ordinance or Law Coverage.

If you previously selected the "up to 25%" Option or rejected Ordinance or Law Coverage in its entirety, you may want to select a higher limit Option of "up to 50%". We encourage you to review the available Ordinance or Law Coverage options with your local Farm Bureau Agent.

OUTLINE OF COVERAGE**

SECTION II - LIABILITY COVERAGE: Your policy covers you for your legal liability for bodily injury or property damage to others, arising out of your residence or the personal activities of you and your family members away from the residence. Some of the more common optional coverages include: Specifically scheduled coverage on property such as jewelry, furs, silverware, and fine arts; liability coverage for boats and outboard motors; coverage at an additional residence; coverage for business property; and liability for business pursuits.

Renewal and Cancellation Provisions: You may cancel the policy at any time for any reason. Our rights to cancel or nonrenew your policy are limited to those conditions described in your policy. If we intend to cancel or refuse renewal of your policy, we must send you a notice telling the reasons for our action and give you advance notice of the cancellation or nonrenewal date.

Premium Credits and Surcharges: Your basic premium, endorsements, discounts and total premium are all shown and itemized in your policy declarations.

Some other factors that affect the price you pay include:

FIRE PROTECTION: One of the variables affecting how much you pay for homeowners' insurance is your area's fire protection rating. The Insurance Services Office (ISO) conducts periodic surveys of each city, town, municipality or fire district in the state. Based on this survey, ISO issues a rating on a scale of 1 to 10 for each area it has surveyed, with 1 being the best and 10 the worst. A community receiving a 1 is able to provide the best possible fire protection to homeowners living there and therefore deserves a lower premium.

CONSTRUCTION: The type of construction of your home is also a significant variable in determining how much you pay for homeowners' insurance. For example: Frame construction is more susceptible to fire losses and therefore requires a higher fire premium than masonry type construction.

Homes constructed on or after 1996 may be subject to the Building Code Effectiveness Grading Schedule (BCEGS). BCEGS is designed to review your community's public code enforcement capabilities and performance to develop a relative Building Code Effectiveness Classification of 1 to 10, with 1 being the best and 10 the worst. BCEGS does not apply to mobile homes. Mobile homes constructed on or after 1994, which comply with the American Society of Civil Engineers Standard ANSI/ASCE 7-88 and state tie-down requirements, are eligible for a reduction in premium. Other mobile home construction factors, such as roof and foundation composition, may result in a premium reduction.

Wind mitigation is a significant variable in determining how much you pay for homeowners' insurance. Site built homes constructed after March 1, 2002 are built to the latest Florida building code and receive a premium reduction reflecting the windstorm mitigation requirements of the code. Shape of roof, roof covering, roof-wall connection, roof deck attachment, opening protection, and secondary water resistance (SWR) features, are all features that affect the premium you pay.

**HOMEOWNERS / MOBILEHOMEOWNERS INSURANCE
OUTLINE OF COVERAGE**

DISCOUNTS: Reductions in premium are given for certain conditions that help to reduce or prevent losses. If you are receiving one or more of these discounts it will be described and reflected in your policy declarations.

Protective Devices: These include fire, smoke, and burglar alarms, sprinkler systems, and windstorm protective devices.

Wind Mitigation: shape of roof, roof covering, roof-wall connection, roof deck attachment, opening protection, and secondary water resistance (SWR) features are all features that affect the premium you pay.

New Homes: discount for homes built within the last several years, in accordance with our manual rules. (Does not apply to mobile home, rentals, or unit owners policy forms.)

Claims Free: for policyholders that have been insured with us for the past three years and have not had any claims. (Does not apply to mobile homes.)

Home and Auto Discount: when we insure both your auto(s) (under a qualified Auto Policy program) and your home. (Does not apply to mobile homes.)

Notice of Premium Discounts for Hurricane Loss Mitigation
***** Important Information *****
About Your Personal Residential Insurance Policy

Dear Homeowner,

04/16/2018

Hurricanes have caused tens of billions of dollars in insured damages and predictions of more catastrophic hurricanes making landfall in Florida have triggered increases in insurance premiums to cover potential future losses. Enclosed is information regarding wind loss mitigation that will make your home more resistant to wind and help protect your family during a catastrophic event. In addition to reducing your hurricane wind premium by installing mitigation features, you may also reduce the likelihood of out of pocket expenses, such as your hurricane deductible, you may otherwise incur after a catastrophic event.

What factors are considered in establishing my premium?

Your location: The closer a home is to the coast, the more vulnerable it is to damage caused by hurricane winds. This makes the hurricane-wind premium higher than for similar homes in other areas of the state.

Your policy: Your insurance policy is divided into two premiums: one for damage caused by hurricane force winds (hurricane-wind) and one for all other damage (all perils), such as fire.

Your deductible: Under the law, you are allowed to choose a \$500, 2%, 5% or 10% deductible, depending on the actual value of your home. The larger your deductible, the lower your hurricane-wind premium. However, if you select a higher deductible your out-of-pocket expenses in the event of a hurricane claim will be higher.

Improvements to your home: The state requires insurance companies to offer discounts for protecting your home against damage caused by hurricane winds. Securing your roof so it doesn't blow off and protecting your windows from flying debris are the two most cost effective measures you can take to safeguard your home and reduce your hurricane-wind premium. These discounts apply only to the hurricane-wind portion of your policy.

The costs of the improvement projects vary. Homeowners should contact a licensed contractor for an estimate. You can find a Certified Contractor in your area by visiting the Florida Department of Business and Professional Regulation online at www.myfloridalicense.com.

Your maximum discount: Discounts are not calculated cumulatively. The total discount is not the sum of the individual discounts. Instead, when one discount is applied, other discounts are reduced until you reach your maximum discount of 37%.

How can I take advantage of the discounts?

Homeowners will need a qualified inspector such as a general, building or residential contractor licensed under Section 489.111, Florida Statutes, or a professional engineer licensed under Section 471.015, Florida Statutes, who has passed the appropriate equivalency test of the Building Code training program as required by Section 552.841, Florida Statutes, or a professional architect licensed under Section 481.213, Florida Statutes, or a building code inspector certified under Section 468.607, to inspect the home to identify potential mitigation measures and verify improvements. For a listing of individuals and/or inspection companies meeting these qualifications contact your insurance agent or insurance company.

The following is an example of how much you can reduce your insurance premium if you have mitigating features on your home. The example is based on your hurricane-wind premium* of \$904 which is part of your total annual premium of \$1,509. Remember, the discounts shown only apply to the hurricane-wind portion of the premium and the discounts for the construction techniques and features listed above are not cumulative.

*Wind mitigation credits apply to that portion of your premium that covers the peril of wind, whether or not a hurricane exists.

Checklist of Coverage

Policy Type: HOMEOWNERS POLICY, Form HO 00 03 - Special Form

The following checklist is for informational purposes only. Florida law prohibits this checklist from changing any of the provisions of this insurance contract which is the subject of this checklist. Any endorsement regarding changes in types of coverages, exclusions, limitations, reductions, deductibles, coinsurance, renewal provisions, cancellation provisions, surcharges, or credits will be sent separately.

Reviewing this checklist together with your policy can help you gain a better understanding of your policy's actual coverages and limitations, and may even generate questions. By addressing any questions now, you will be more prepared later in the event of a claim. Experience has shown that many questions tend to arise regarding the coverage of attached or detached screened pool enclosures, screened porches, and other types of enclosures. Likewise, if your policy insures a condominium unit, questions may arise regarding the coverage of certain items, such as individual heating and air conditioning units, individual water heaters, floor, wall, and ceiling coverings; built-in cabinets and counter tops; appliances; window treatments and hardware; and electrical fixtures. A clear understanding of your policy's coverages and limitations will reduce confusion that may arise during claims settlement.

Please refer to the policy for details and any exceptions to the coverages listed in this checklist. All coverages are subject to the provisions and conditions of the policy and any endorsements. If you have questions regarding your policy, please contact your agent or company. Consumer assistance is available from the Department of Financial Services, Division of Consumer Services' Helpline at (800) 342-2762 or www.dfhs.com.

This form was adopted by the Florida Financial Services Commission.
